

## RFA Questions and Answers

Questions	Answers
Do we need to write for the entire state or can we write for the eastern part of the state?	This is a grant requiring statewide technical assistance, training and outreach. Outreach activities with parents should be conducted in the different regions of the state and trainings and technical assistance should be made available statewide.
Can implementation occur during the project planning period (October 1, 2023-December 31, 2023)?	Yes. Implementation can occur prior to the given implementation period. Applicants could start implementing as early as October 1.
